## ***Dear Customer!***

83MEC would like to send our customers best wishes and regards!

We also would like to express our sincere appreciation to our customers who have been, are, and will become companions on the development path of 83MEC and for their trust in the products and services provided by 83MEC.

During more than 40 years of establishment and development in the field of mechanical manufacturing, 83MEC has achieved outstanding achievements based on highly qualified and experienced human resources and modern production technology lines. . With the concept of "Quality is customer satisfaction", we have been making daily efforts to assert ourselves with products of breakthrough quality and bring outstanding value to customers. 83MEC appreciates customers' comments in the past, and 83MEC has constantly improved and innovated to improve the quality of mechanical products and affirm the value of the brand name 83MEC. The proof of those efforts is that 83MEC has always been at the Top of typical enterprises for many consecutive years and has won prestigious awards and titles.

When accompanied by 83MEC, customers will always be satisfied with product quality, professional services, prestige, and economic benefits. 83MEC always wishes to cooperate with domestic and foreign partners, a reliable partner, and a companion on the business path of customers to build a sustainable and long-term cooperation relationship.

***It is an honor to serve you!***

***Best regards,***

**Vuong Chi Toai**

*Director*

# COMPANY INFORMATION

---

**INTERNATIONAL BUSINESS NAME:**

83 MECHANICAL ONE MEMBER LIMITED LIABILITY COMPANY

**BUSINESS LICENSE NUMBER:**

5200104527 was first registered on 14/07/2010 and registered for the second time on 16/05/2017 Department of Planning and Investment of Yen Bai province.

**HEADQUARTER:** Minh Quan commune, Tran Yen district, Yen Bai province

**PHONE NUMBER:** (+84) 2163.825.772      **FAX:** (+84) 2163.825.183

**REPRESENTATIVE OFFICE:** No.16 Nguyen Khac Nhu - Ba Dinh - Hanoi

**WEBSITE:** [www.83mec.com](http://www.83mec.com)

**REPRESENTATIVE:** Mr.Vuong Chi Toai

**POSITION:** Director

## VISION

With deep operating experience, 83 MEC created a new vision from 2022 to 2030 to become a leading mechanical engineering company in the region, bringing high-tech products based on high-technology content. Constant research and improvement, meeting the most stringent international standards.

83 MEC is positioned as a strong brand and culture, sustainable business development and social service through positive and comprehensive activities.

## MISSION

### **Mission with national defense and security:**

We are building a leading and stable research - manufacturing capacity in terms of output and quality, creating the military's most trusted supplier brand.

### **Mission with customers:**

Bringing customer's trust and peace of mind through a commitment to service and the highest product standards.

### **Mission with partners:**

Resonance with outstanding benefits policy, sustainable business - humane - integrity, and shared reputation.

### **Mission to society:**

Accompanying society in building a developed economic life, spreading good human values, and raising the expected standards of the mechanical engineering industry for the goal of civilized and in-depth integration in the global value chain.

# **CORE VALUES**

## **QUALITY**

Finished products meet international standards associated with actual achievements and go from technological problems.

## **PROFESSIONALISM**

Meeting the requirements of the times in the value chain of integration and globalization.

## **CREATION**

Being the driving force for the sustainable development of 83 MEC, encouraging innovation and continuous improvement toward perfection every day.

## **RESPONSIBILITY**

Is devoted - wholehearted- dedicated to sustainable business goals. Allocate resources and plan toward positive social impact.

## **INTEGRATION**

In the spirit of setting international goals and vision, promoting cooperation, attaching importance to the interests of customers - domestic and foreign partners, becoming a strong brand recognized worldwide.

# POSITIONING DECLARATION

| Values cultivate power!

## **V**ALUES

Values are preserved and spread proudly over time.

## **C**ULTIVATE

Cultivate comprehensive and complete abilities to serve the highest ideals.

## **P**OWER

The power of convergence creates an integrated business culture, technology platform and people.

Values include the traditional, proud, and sustainable principles of 83 MEC throughout the process of formation and development:

- Taking responsibility for the country and society
- Sharing benefits with partners and customers
- Encourage innovation and continuous improvement
- Caring about the lives and successful development of employees
- Commitment and keeping faith in all actions

# **POSITIONING DECLARATION**

**| Values cultivate power!**

The strength of 83MEC is the result of a long process in which people are the focus, and technical philosophy, technology, and business ethics as the driving force throughout.

- Your people's health, well-being, and success create an organization's potential and drive for innovation.
- The trust of customers and partners in brands and products is built through the highest standards of breakthrough quality, consistent output, and high-standard engineering.
- Close cooperation with suppliers, maintain a healthy business environment, have beneficial effects, and protect the common interests of the whole society.

## TROPHIES & AWARDS

- ISO Gold Medal - Integration Key
- Gold Metal For Fire-Hydrant Products
- Technological Development Award
- Second-Class Labor Medal In 2015
- National Quality Silver Award 2016, Enterprise Integration And Development.
- Top Brand Name - Gold Products, Vietnam Gold Service In 2019
- The Award For Successful Product Commercialization Was Formed From Scientific Research Results And Typical Technological Development In 2017.
- In 2017, The Mayon Grill Was Named One Of Vietnam's Top 10 Gold Products.
- The Title "Worker For The Environment" In 2018 Was Certified By The Ministry Of Resources And Environment.
- Business Excellence Award In 2019 By The Vietnam Chamber Of Commerce And Industry (VCCI)
- Transparency, Trust And Sustainability Enterprise Awards In 2019
- Vietnam's 10 Most Trusted Enterprises Award In 2018
- Top 10 Asia - Pacific Famous Brands - Trademarks Awards
- Vietnam Famous Brands And Labels - Integrating Courageous Ceo 2020 - Mr.Vuong Chi Toai
- Vietnam Gold Star Awards 2021
- First-Class Labor Medal in 2021
- Second-prize of the 16th National Science and Engineering Fair
- Asia's Top Trusted Brand Awards 2022

## **BUSINESS SECTORS**

- Industry for the manufacture of metal products
- Fabrication and installation of equipment for industrial production
- Installation of power lines and substations up to 35KV
- Forest products processing
- Producing and trading in building materials
- Import and export to serve the company's production
- Industrial sewing line

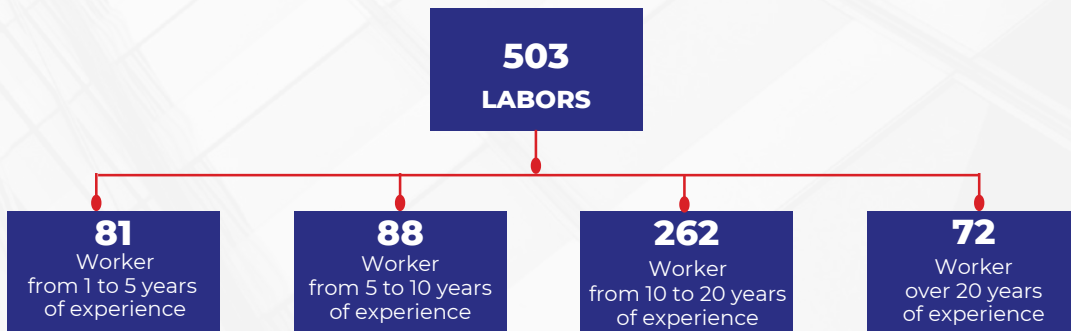

# SƠ ĐỒ CƠ CẤU TỔ CHỨC

The total number of existing employees at the time of October 2022: 684 people.

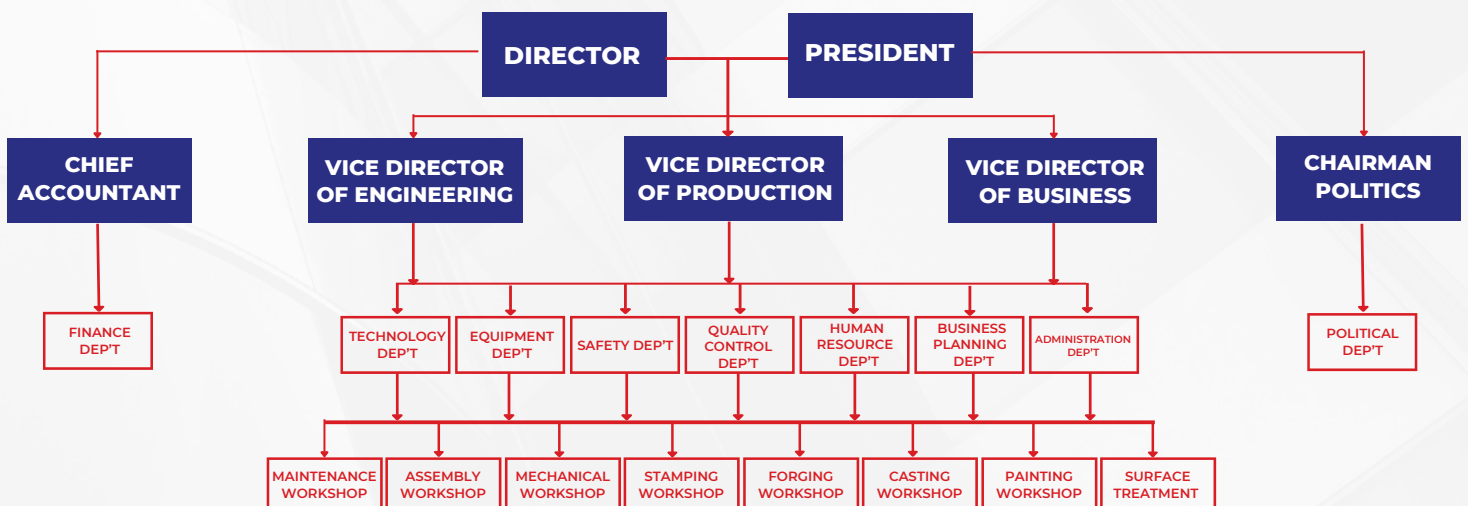

Which includes:

- Direct production : 503 people
- Professional staff: 91 people
- Human resources to support and serve: 90 people

# NHÂN LỰC

# TỔ CHỨC

# **PRODUCTION CAPACITY**

83MEC has a scale of 178 hectares, with a system of standard workshops, advanced technical equipment, and machines to meet production and operation requirements in the company's business activities. The technological equipment in the picture is some production equipment in the factory's production line system.

# **TECHNOLOGY CAPACITY**

## **MACHINING AND CUTTING**

With the technology of turning, milling, planing, grinding, slotting, dowel, drilling, and reaming.. can turn, and mill on CNC machines

## **FORGING**

With hammer forging up to 2.5T, free forging, and die forging. Forging spare parts for agricultural machines, oil and gas, tractors, electrical accessories...

## **STAMPING**

Ironing, sheet presswork, hot-pressing, cold- pressing, hydraulic deep drawing,...

**STAMPING  
MACHINE 3500T**

**HYDRAULIC PRESS  
MACHINE 200T**

**CNC MACHINE**

**STAMPING  
SYSTEM**

## LOST WAX CASTING AND LOST FOAM CASTING

With the most advanced technology such as lost foam casting, lost wax casting,...

## WELDING

83MEC have equipped with modern machinery and equipment for welding technology and plasma cutting technology with high precision in processing detailed designs, such as MIG 250E welding machine, tig 200S welding machine, electric welding machine, rotary welding machine, plasma cutter, etc.

## SURFACE TREATMENT

With advanced technology, modern lines meet all surface requirements of products such as polishing, zinc plating, chrome plating, nickel plating, oxidation, anodizing, powder coating...

## HEAT TREATMENT

High frequency, medium frequency quenching furnaces, well furnaces, vacuum heat treatment, heat treatment with protective gas...

## QUALITY CONTROL

- Mechanical, physical, and chemical testing equipment
- Measuring device
- The company's mechanical, physical and chemical testing equipment has been licensed for testing and has the function of certifying test results to external customers.

# CAPACITY OF MACHINERY AND EQUIPMENT
